### **Director Biography**

**Tanya Bostick, B. Mus., B.Ed., R.M.T., MYCC**— Co-owner of the Bostick School of Music, Tanya is the Camp and Musical Director for all camps and designs each camp specific to the developmental stages of each age group. Tanya brings a wealth of experience to the Summer Camp Programs. For 13 years, Tanya taught Choral, Instrumental and General Music to children in grades K-12 in Nova Scotia and South-eastern New Brunswick. She currently acts as Piano Instructor at the University of Moncton Classical Camps each year, and thoroughly enjoys teaching Music for Young Children, Musicpups and Private Piano at the Bostick School of Music. As adjudicator, Tanya feels fortunate to have been able to work with children of all ages throughout New Brunswick and Nova Scotia. This is Tanya's fourth Summer Camp Season at the Bostick school of Music.

Tanya writes:

*We have established a tradition of Summer Music at the Bostick School of Music. Our camps are fun-based, inclusive camps which offer a wide variety of musical activities sure to enrich and inspire children of all ages. We sing, move, create, construct instruments, perform, listen and have a super fun time. I'm really looking forward to our new themes for this year, and getting to meet new and old friends. See you at the Camps!*
